WINE LIST

DEPUIS 1997

## A LITTLE WINE PHILOSOPHY

*"I only drink Champagne on two occasions. When I am in love...  
and when I am not"*

COCO CHANEL

*"Accept what life offers you and try to drink from every cup.  
All wines should be tasted; some should only be sipped,  
but with others, drink the whole bottle."*

PAULO COELHO

*"Wine improves with age. The older I get, the better I like it."*

ANONYMOUS

*"Champagne is the one thing that gives me zest when I am tired."*

BRIGITTE BARDOT

*"A gourmet meal without a glass of wine just seems tragic to me somehow."*

KATHY MATTEA

*"Nothing makes the future look so rosy as to contemplate it through  
a glass of Chambertin."*

NAPOLEON BONAPARTE

*"I cook with wine, sometimes I even add it to the food."*

W.C. FIELDS

*"Wine is a part of society because it provides a basis not only for a morality  
but also for an environment; it is an ornament in the slightest ceremonials of  
French daily life, from the snack to the feast, from the conversation at the  
local café to the speech at a formal dinner"*
