WINE LIST

CELEBRATING 20 YEARS...
DEPUIS 1997

A LITTLE WINE PHILOSOPHY

“I only drink Champagne on two occasions. When I am in love...
and when I am not”

COCO CHANEL

“Accept what life offers you and try to drink from every
cup. All wines should be tasted; some should only be sipped,
but with others, drink the whole bottle.”

PAULO COELHO

“Wine improves with age. The older I get, the better I like it.”

ANONYMOUS

“Champagne is the one thing that gives me zest when I am tired.”

BRIGITTE BARDOT

“A gourmet meal without a glass of wine just seems tragic
to me somehow.”

KATHY MATTEA

“I cook with wine, sometimes I even add it to the food”

W.C. FIELDS

“Wine is a part of society because it provides a basis not only for a
morality but also for an environment; it is an ornament in the slightest
ceremonials of French daily life, from the snack to the feast, from the
conversation at the local café to the speech at a formal dinner”
